## Where to go ?

*Most of the guests who come to Munich wish to do a one or two day sightseeing tour of the city and its surrounding areas.*

*These are the most popular targets:*

*The Bavarian royal castles of Neuschwanstein, Linderhof and Herrenchiemsee, Germany's highest mountain the Zugspitze at Garmisch-Patenkirchen, accessible by cogwheel train or cable car from Eibsee, Lake Ammersee, including Andechs monastery with its famous beergarden, Lake Starnberg with the cross in the water where King Ludwig the II drowned. Lake Chiemsee, Bavaria's largest lake, with its Island Herren - and Fraueninsel. Salt mine Berchtesgaden, Lake Königssee and the Eagles Nest (Hitlers Alpine retreat).*

*Some Visitors wish to cross the Austrian Border to see the musical festival town of Salzburg or the winter sports area of Seefeld and Innsbruck. We would like to mention that trips in the areas north of Munich have become more and more popular. For Instance Rothenburg, Nürnberg or Regensburg with its 2000 years old history. Passau, popular university town, on the Danube River, starting point for river cruises to Austria.*
